**STIPULATED ORDER FOR CONTINUING TEMPORARY STAY**

In accordance with the stipulation of the parties, the Court being advised that there is a related case pending in the Michigan Court of Claims in which Somangshu Mukherji is plaintiff and the University of Michigan is defendant, and in which there is a Motion for Summary Disposition filed and fully briefed and waiting for a decision which the parties anticipate may address or clarify some and potentially all of the issues in the Complaint filed here, and the Court being otherwise advised in the premises;

**IT IS HEREBY ORDERED** that the stay previously ordered in this case is continued for up to an additional 90 days (up to June 18, 2025) pending a decision in the Michigan Court of Claims case. If a decision in that case is issued on or before June 18, 2025, discovery here is extended 75 days from the date that decision is issued, and all other dates are similarly extended and the parties may submit a revised Scheduling Order reflecting those revised dates. If no decision is issued by the Michigan Court of Claims by June 18, 2025, the stay is lifted, discovery here is extended to and including September 2, 2025, and all other dates are similarly extended and the parties may submit a revised Scheduling Order reflecting those revised dates, and the parties may take whatever other action(s) they deem appropriate, which may include a request to extend the stay.

**IT IS SO ORDERED.**
